Furthermore, the hotel was certified by ISO 9001:2001 for its quality in accommodation, catering and exchanging services. Everything for the guest. He can be either staying in the hotel or he can participate at a conference. The hotel offers an extended space for relaxation and sport activities. Who is keen on sports can spend his leisure time by playing tennis, table tennis and bowling.

TOP HOTEL Praha & Congress Centre has its own Casino, wellness and Chinese massage.

A lot of useful information about Prague can be found at the web site: www.visitprague.cz, and about Top Hotel at www.tophotel.cz.

INFORMATION ABOUT PRAGUE

Prague is the capital city of the Czech Republic, which is situated in the heart of Europe and shares borders with Germany, Poland, Slovakia and Austria. Thanks to its position Prague is easily accessible by a variety of means of transport - plane, train, coach or car.

Prague is the most important Czech heritage site. Since 1992 the historic centre of the city, with an area of 866 hectares, has been registered in the UNESCO World Heritage List. Prague was one of the nine cities that were awarded the title European City of Culture for the year 2000.

Today Prague is an important European city. Many well-known international festivals, congresses, meetings and trade fairs are held here. There are a wide range of accommodation and catering facilities as well as cultural opportunities. Eleven centuries of historical events, building, artistic creation and city life along with its beautiful natural setting have created a unique atmosphere. It is an atmosphere that is grand and mysterious as well as being friendly and intimate and has always attracted tourists from all over the world. Over the centuries scores of important.
